Cyber Safety

We have seen an increase in concerns raised around inappropriate use of messaging platforms outside of school, so this week at Wheatfields we have been focusing on cyber safety and what we can do to support children and parents understand the risks.

The majority of messaging platforms hold an age rating above the age of a primary school child, therefore these should not be used by children at Wheatfields.

If you need any support in knowing how to set up filters or monitoring your child's use on their devices at home, please let us know. We are arranging a cyber safety evening for parents during the summer term and will send this date out as soon as

Preschool Manager

We are very pleased to say that Debbie Adams will be stepping up permanently as our Preschool Manager. Debbie has some brilliant ideas for our wonderful Preschool and we look forward to working with her.

We have been having a staffing shuffle recently, so we appreciate your patience whilst staff get to know you and your children.

Exciting New Website!

Staff have been working hard behind the scenes to update our website with key information and redesigning the platform.

All children voted for the new design and chose a very swish BLUE effect. We hope this will move over soon.

Football at Wheatfields

This half term, some Year 5 and 6 children travelled to Newmarket Town Football Club to be a part of the Youth Dream Project Tournament. The first four games were part of the knockout stages to go onto the Trophy Finals or the Shield Final. We made it all the way to Shield Final where we played Bushmead. After a strong 12 minutes we unfortunately lost to a late goal, but we took second place and all of the children agreed that they had a great time representing the school. They really were a credit to the school and demonstrated what a Wheatfields Sportsperson is about.

Public Speaking Finals

Congratulations to Erin and Thomas for their 1st place speeches! The competition was fierce this year and every single child demonstrated fantastic effort just by standing up there.

Road Markings

I have been in contact with the Local Authority about clarifying legal parking outside of school premises to support safe drop off and pick up, whilst recognising that local residents have right of access to their property. Please watch this space for further updates!

Upcoming Dates:

Fri 29th March-Sun 14th April

Easter Holidays

Mon 15th April

School re-opens

Fri 19th April

Sponsored Event

Thurs 25th April

Parent View - Results

Thank you all for your contributions to our Parent View Survey. We have taken a look at the results, which are generally very positive. There are some queries around behaviour in school and raising concerns, so we will be following this up after Easter and sending information to parents. The children will get to fill out their own questionnaires as well, so we will hear their views.
