

# Year 4 Home Learning Project Menu

Spring 1, 2022

Choose one of the following options for your homework project. You need to be as creative as you can. This is an extended homework task. You are expected to spend time on it each week and produce an impressive final piece. You can get information from books or the internet. This is due in on Friday 11<sup>th</sup> February. If you have any problems with this please speak to one of the Year 4 teaching staff.

## Science

Research an important scientist who has explored electricity and present your information in a fact file or poster.

Some scientists you could look at are:

Alexander Graham Bell, Maria Telkes, Benjamin Franklin

## Art and Design

Design and make an Anglo-Saxon coin or piece of jewellery.

## Food Technology linked to history

Anglo-Saxon biscuits

Follow the link below to a website where you will find a recipe to make Anglo-Saxon honey shortbread

<https://guides.brit.co/guides/bake-anglo-saxon-honey-shortbread/particle-1>

You may also find other Anglo-Saxon recipes to try out.

## English

Write a newspaper report about a Viking Invasion. Imagine you are a reporter for the Anglo-Saxon Times. Write your report about describing what happens when the Vikings arrived!

## History

Create a power point presentation about the Anglo Saxons

Can you create a power point to share with the class explaining and describing different information about the Anglo Saxons? Use your computing skills to make an exciting, factual and interesting presentation!
