Battle of Britain

"Never was so much owed by so few."

Winston Churchill (Prime Minister)

Research this important event from World War 2 and present your research as a leaflet, poster, power point or newspaper report.

Historical Figure

Choose a famous historical figure involved in World War 2 to research in detail. You can present your information as a leaflet, poster, power point or as a diary recount. It must contain some written facts as well as pictures and should be written in your own words rather than just be printed out from the internet.

World War 2 Model

Use your creative skills to make a model of a World War 2 artefact. It could be a model Spitfire aeroplane, gas mask, ration book or perhaps some medals. You will also need to include some information about the artefact you have chosen.

World War 2 Timeline

Create WW2 time line. Be as creative as you like ☺
Example –
