

# Year 1 home learning menu - due back by 4<sup>th</sup>

## February

We would like you to pick **one** item from the menu to complete at home. Once complete take a photo or video and send it to your class email. We will print the photos in school and children will share their creations with the rest of the class.

### Science - Materials

How many different materials can you find in your house? Can you find an object made of 2 or 3 materials? Can you sort and describe the materials into different groups?

### D&T - Emergency vehicle

Design and create a rescue vehicle. Think about where your vehicle needs to go (mountain, sea, forrest) and what it needs to help people (ropes, ladder, equipment)

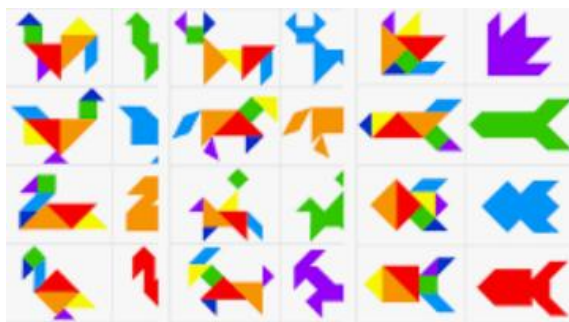

### History - People who help us

Choose an historical figure who helped people. In school we have been finding out about Grace Darling. Create a fact file about them explaining who they are and why we remember them.

### Maths - shapes

We have created tangram pictures in maths. Use shapes to create your own pictures.
