

# Year 5 Optional Home Learning Project Spring 2

Please choose **one** from the following

Tell us which one you chose and attach pictures if you can by Wednesday 24<sup>th</sup> March! We look forward to seeing what you got up to ☺

Emails: [Class11@wheatfields.cambs.sch.uk](mailto:Class11@wheatfields.cambs.sch.uk) [Class12@wheatfields.cambs.sch.uk](mailto:Class12@wheatfields.cambs.sch.uk)

## Bird Watching

<https://www.rspb.org.uk/fun-and-learning/for-teachers/schools-birdwatch/resources/>

The annual bird watch was celebrated at the end of January. Now that Spring is right around the corner, birds should be making more an appearance. Follow the link to find resources and activities about the Big Bird Watch and ways that you can get involved!

## Comic Relief

<https://www.comicrelief.com/rednoseday/>

Comic Relief this year, is all about making people smile! Find some jokes and share them with us and your friends and families. Follow the link to the Comic Relief website for fun ways to get involved! You don't have to FUNdraise but you can certainly show your support by flashing that dazzling smile!

## Maths

<https://www.bbc.co.uk/bitesize/topics/zd2f7nb/articles/zn2y7nb>

Become a guardian of Mathematica in this fun and educational game. Complete levels and unlock personal items for you to equip for your character. Each topic has 4 levels for to face, each increasing in difficulty! Will rise to this challenge and defend Mathematica?

## Saving the world

This world is ours to look after and care for. Create a poster raising awareness of recycling and saving energy. Use your knowledge from previous lessons about recycling! You might see your posters pop around school. Make it bright, informative and factual! Your **audience** is the children around school. Your **purpose** is to raise awareness!
