Dear Parents/Carers,

REMOTE LEARNING – ACCESS VIA GOOGLE CLASSROOM AND THE WEBSITE

During the last lockdown we put all our remote learning pdf documents on our website for all year groups to access and so far, we have continued to do this. However, now that we have Google Classroom for pupils to access, complete and return the remote learning online, there is no longer the need to upload all the documents onto the website as a pdf. Teachers are working hard to move away from pdf documents uploaded onto the website and therefore, as soon as possible, all remote learning will be accessible via Google Classroom or Tapestry for EYFS. This will reduce the need to print off as much work which we hope from feedback received, parents will find beneficial.

During this transition period, some year groups will still have pdf documents on the website and access to documents via Google Classroom or documents only accessed through google classroom. Please bear with us and continue to email class teachers with any queries you may have regarding your child's remote learning. You're all doing a fantastic job!

Kind regards

Theresa Thornton
